functions and events

Welcome to the Dropping Inn cohort

A little about us

We are Dropping Inn. We are a cohort of exciting destinations – eateries, cafes, pubs, markets, hotels – that create opportunities for people to come together.

So if you're looking for somewhere to meet, eat, stay or play, we've got you covered.

Our mission is to create spaces where you feel welcomed. Where you can feel like you own the place whether you're local to the area or just local to us. We push ourselves to push boundaries. Making sure our processes are slick and our standards are high. Because it means all you have to do is show up, relax and enjoy. Then we all start having a good time!

Welcome to our cohort

An aerial photograph of Lake Hāwea in New Zealand. The lake is a deep blue, surrounded by rugged, brown mountains. In the foreground, there are several large, modern buildings with grey roofs, likely the Hāwea Hotel, and a parking lot with several cars. The sky is clear and blue.
